

Showcase Productions: Who We Are and What We Do . . .

Our qualifications for the production of home improvement shows are solid. The staff and support complement at Showcase Productions allows you to benefit from our combined "hands on" experience with home shows, including production, management and on-site administration of over 200 home improvement shows in the Chicagoland area. This provides us with a deep understanding of this market and, most importantly, the needs of our exhibitors which helps ensure an efficient, productive event for all involved. And now, a little about our events:

Proven Success: Our circuit of events is once again projected to grow where 2012 will yield our largest average show size ever. In fact, we easily expect each and every one of our upcoming Fall and Spring shows to be larger than ever. This results from solid shows which produce a stronger, loyal exhibitor base who seek out not only the most consistent and productive events in Chicagoland, but a production group who they trust deliver shows with strong and thorough advertising plans.

The Ad Plans: When you invest in a "Home Show", you are investing the strength of the advertising plan. Our promotional program is substantial to say the least. The advertising plans that support our events blanket the area through major media, including (but not limited to): Television ad campaigns on at least three of the major networks, such as CBS, WLS, WGN & FOX; We run 100% FULL COLOR print ads (except where color is not available) with solid frequency through The Chicago Tribune, Daily Herald, as well as other local publications. Drive-time and daytime 30 & 60 second ads with 10 and 15 second "teasers" on several radio stations per show; Large full color, direct mail invitations to virtually all homes within a 10 to 15 minute drive time (even further for many shows) around each show; and much, much more! This program is designed to produce a consistent flow of qualified, motivated homeowners to meet and speak with you about their upcoming projects and home related expenditures.

Free Admission: Make no mistake, we produce serious home improvement shows. The absolute primary reason for homeowners to walk through the door is to see YOU, the exhibitor. These attendees are motivated, focused and prepared to spend money on their homes. Free admission absolutely guarantees that the maximum number of these top-shelf consumers attend this event to meet you. Any doubts? Call us for references to see what our exhibitors say. We do this for the same reason that free estimates are a standard in the home improvement industry.

SUPPORT: Whether it's before you reserve space, before the show or on the show floor, our knowledgeable, friendly staff is here to help. We encourage you to call us with any questions that you may have. You'll get straight answers that make sense, not "doubletalk". The more you know, the more you'll realize what an incredible opportunity that our events offer your company. There is nothing more valuable in this business than experience... with an open ear to those who make the shows possible, our exhibitors. We know how, where and when to promote our shows to maximize exposure for our exhibitors. And we will help you prepare for the show in any way possible.

Our experience, coupled with our massive advertising and promotional campaigns make "*The Home Improvement Showcase Expos*" a series of events that we feel are the best you'll find in Chicagoland. We will always strive to provide you with the most consistently productive investment for your marketing dollar. We work hard to provide you with the most profitable and enjoyable experience possible at our shows. Thank you for your time and consideration and we look forward to the opportunity to work with you.

Sincerely,

Scott & Sandy Hardesty

THE HOME IMPROVEMENT SHOWCASE

2011 – 2012 Show Summary

Thank you for your interest in the Chicago areas largest and most heavily advertised circuit of home improvement expos. We are very pleased to announce that every one of our upcoming shows is projected to be larger than ever to help ensure even stronger, more complete advertising plans for each and every event. This is our mission: To provide you with the best investment for your marketing dollar.

Due to our continued growth, we are now able to provide our exhibitors with an all new pricing structure that allows businesses of all kinds to secure booth spaces at lower rates than ever. To help you familiarize yourself with our events, we offer you this summary of each event to help you see exactly why we have selected these key markets.

ARLINGTON HEIGHTS, IL ❖ ARLINGTON RACECOURSE FALL: OCTOBER 22ND - 23RD, 2011 SPRING: FEBRUARY 24TH - 26TH, 2012

One of the most consistently productive shows held at one of the most prominent facilities in the entire Chicagoland area, The Arlington Home Improvement Showcase Expo has grown each and every year since we added this event to our show lineup in 2007. The upcoming Fall and Spring events are projected to easily reach record size with over 600 booths between the two events. Securing the right location for your company at this facility is a key issue, so don't delay in sending in your request for booth space.

NAPERVILLE, IL ❖ PLAYERS SPORTS CTR. ❖ MARCH 9TH - 11TH, 2012

Naperville is extremely well known as one of the most active and attractive markets in the Chicago area. When you combine incredible community and commerce activity, impressive demographics and a location right on the border of two of the five most populous cities in the STATE, you have the recipe for a great show. When a large facility (Players Sports & Expo Ctr.) was built in 2006 to serve this prime market area, we were selected to establish and build a home show that has always been destined to be on everyone's "Must Do" list. True to form, this event has been one of the five largest shows in Chicagoland from its very first show in 2007. The 2012 show will easily set a new record in size and strength.

LAKE COUNTY, IL ❖ LIBERTYVILLE SPORTS COMPLEX ❖ MARCH 30TH – APRIL 1ST, 2012

Since 2003, our event in Libertyville has attracted far more attendees than any home show in the History of Lake county, with several events in recent years drawing crowds unlike any other in the County. With new, better dates that are perfect for this venue and this market and available booth rates lower than ever before, this event will be yet another show that will show substantial growth into 2012. With a phenomenal mix of new and old housing stock and homes from mid to very high end, the attendees to this show are ready to buy products and services from every type of company. The new floorplan is designed to create the most evenly distributed flow that we have even had to ensure that all booth locations are viable ones. Inquire today about the key locations that best suit your company's needs.

LAKE BARRINGTON, IL ❖ LAKE BARRINGTON FIELD HOUSE ❖ APRIL 20TH - 22ND, 2012

Of all home shows in Chicagoland, this event targets one of the most affluent and expansive areas in the country! The quality and buying power of the market area is unquestionable and the building itself can accommodate over 600 booths, making this a perfect opportunity for businesses to find one of the only ways to meet and speak directly with these highly sought after homeowners. No other event even comes close to tapping into this area like this show does.

It is our goal to give you any and all information possible to allow you to make an informed decision for your business. Please feel free to call or email us at any time with ANY questions you might have and we will be happy to help.

Sincerely,

Scott & Sandy Hardesty

PAGE 3 of 3: CONTRACT TERMS: Showcase Productions, Inc. "Producer" and "Exhibitor" agree to the following Terms and Conditions: Exhibitor shall adhere to all setup and takedown guidelines as outlined in exhibitor packet and all displays must be removed by the last day of the show or as specified in the event packets. Any equipment used in the transportation of displays must have rubber wheels. Arrangements must be made in advance by exhibitor to request dimensions for entry doors if displays or vehicles are of larger size. No hall equipment or materials are to be moved by the exhibitor. Exhibitor agrees to pay a minimum of \$150.00 storage and disposal fee for any abandoned debris, display materials or equipment left in the Hall after takedown. Vehicles are only allowed in the hall with prior approval of Producer and if used as part of your exhibit and must have less than 2 gallons of gas in the tank and have protective floor covering beneath them with pads under tires. Vehicle keys must be left with Producer. Rental equipment, as listed on the front of this Agreement, is available at an additional fee. Exhibitor is responsible for any equipment damage or loss. Special electrical service, if available, shall be at an additional charge. Exhibitor must obtain a separate quote from Producer for such service. Exhibitor must provide a 25' grounded, flat cord and a hose and submersible pump for draining water. Displays: Exhibitor may display only the products and services stated in this Agreement. Exhibitor display areas must have a professional appearance and be kept clean and orderly at all times. Any materials used in transportation or packing of displays must be removed or stored outside of public view or under skirted tables. The height of displays may not exceed 36' at the side of the booth or 8' at the rear of the booth. Display materials are not to be attached to facility property. A protective floor covering must be used for displays utilizing bricks, decorative pavers, rock, gravel, dirt or similar materials. Chemicals, helium balloons, fires, consistent loud noises, sirens and alarms are not permitted. All displays are subject to standard Fire Department regulations and approval. Booths must be staffed during entire show schedule and no subletting of booth space will be allowed. Exhibitor agrees that at-show staff will not remove any displays materials or begin taking down show displays prior to the close of the event. Any Exhibitors or at-show staff found removing display materials from the hall prior to the close of the event will be subject to a mandatory fine of \$150 and possible suspension from future show participation. No solicitation of literature will be permitted outside the booth area, including distribution outside of the building or materials placed on vehicles. No display or demonstration shall interfere with neighboring exhibitor staff or booths. Producer reserves the right to reject, remove, or prohibit any exhibit from the show if Producer deems the exhibit or the activities of the exhibitor to violate this Agreement or actions to be detrimental to the show or other exhibitors in any way. Exhibitor shall inform at-show staff of the terms of this Agreement prior to staffing the event. Producer reserves the right to change event layout without notice and may reassign and relocate any Exhibitor to another space if Producer deems necessary for any reason. Exhibiting: Producer reserves the right to perform any credit checks deemed necessary as authorized by the signing of this Agreement. Only an actual Exhibitor deposit will guarantee space in an event. For phone or fax reservations, a deposit must immediately follow to execute this Agreement prior to a date specified by Producer, or the reservation will cancel. No refund will be made should Exhibitor withdraw at any time prior to the show. Should the exhibitor fail to pay all amounts when due, Producer shall have the right to re-sell or re-assign the space to another with no refund to Exhibitor. Failure to comply with all contract terms and conditions, including payment deadlines, will render all discounts null and void and all amounts will revert to standard booth rental rates. Exhibitor shall be liable for full payment if he/she withdraws within thirty (30) days of the event. Interest shall be applied to any unpaid balance at the rate of two percent (2%) per month from the first date of the event. Payments will first be applied to charges in arrears. Exhibitors issuing checks that are returned N.S.F. or "stopped payment" shall be charged an additional \$50.00 fee. Exhibitor's representative signing this Agreement shall be individually and severally responsible for any and all payments. Payment for space is not transferable to any other space within the hall, nor is it transferable to any other show produced by the Producer, unless agreed upon in writing. In the event a show is cancelled by Producer for any reason beyond its control including, but not limited to, acts of God, fire, strikes, governmental regulations, civil commotion, or other acts or conduct of any person(s), all obligations of the parties hereunder shall automatically terminate and the Producer shall determine an equitable refund of the booth rental fee paid by Exhibitor. Refunds will be made after all deductions of Producer's expenses and commitments, as determined in its sole and exclusive discretion. Producer makes no representations or warranties regarding "trade limitations" or "exclusivity" or that a company exhibiting competitive products will not be located in a nearby booth space or within the confines of the hall unless stated specifically in writing on the front of this Agreement. Exhibitor agrees to abide by Producer's decision in the case of any dispute regarding a limitation or exclusivity. Damages and Insurance: Neither Producer nor hall is responsible for theft, loss, damage or destruction of Exhibitor's property. All Exhibitors must provide a current Certificate of Insurance naming Producer as an additional insured on its commercial general liability policy with limits of not less than \$500,000.00 per occurrence, thirty (30) days prior to event date. Exhibitor hereby agrees to indemnify and hold harmless Producer and agrees to defend Producer, its employees, agents and the owners of the hall and facility management from any and all claims, liability, loss, damage, cost or expense of any kind whatsoever, including, but not limited to court costs and reasonable attorney's fees, which the Producer may incur, pay, or be required to pay, incident to, or arising directly or indirectly from any willful, negligent, or indirect act or omission by Exhibitor. Exhibitor accepts full responsibility for any and all damage or injury to the public, other exhibitors, Producer, the hall or facility management, resulting from any act(s) of Exhibitor. If, for any reason, a claim for damages shall be imposed against Producer, that claim shall not exceed the space rental fee paid by Exhibitor and that amount shall serve as total damages. PRODUCER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES OR COSTS INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR LOSS OF GOODWILL, RESULTING FROM ANY CLAIM OR CAUSE OF ACTION, INCLUDING BUT NOT LIMITED TO, BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, OR ANY OTHER LEGAL THEORY, EVEN IF ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY THEREOF. Exhibitor agrees to abide by all local, state and federal laws, including laws against discrimination. Exhibitor shall pay all taxes and be current with all licenses required by law. Exhibitor shall pay all of its subcontractors and suppliers to avoid any mechanics' liens being filed against the event hall and to discharge any such liens by prompt payment. Warranties and Remedies: Producer makes no warranty, either express or implied, to Exhibitor regarding advertising penetration or sufficiency, show attendance, leads, or sales which Exhibitor may anticipate or receive. Producer's projections are merely speculation, and not to be deemed as actual anticipated public volume or Exhibitor profitability. No credits or refunds will be issued if Exhibitor fails to meet personal/company expectations or if Exhibitor cannot participate in an event for any reason, unless agreed upon by Producer in writing prior to the event. This Agreement constitutes the entire understanding of the parties with respect to the subject matter hereof, and supersedes all prior and contemporaneous written and oral agreements with respect to such subject matter and may not be altered by Exhibitor's purchase order. Except as expressly provided herein, this Agreement shall not be modified, amended or in any way altered except by a writing executed by each of the parties, unless Producer has specifically reserved herein the right to alter certain terms hereof. This Agreement shall be governed by the laws of the State of Illinois. In the event Exhibitor breaches the terms of this Agreement, in addition to all other remedies available to it in law or equity, Producer may immediately bar Exhibitor from entry or eject Exhibitor from any and all shows, without refund or recourse. No deviation from the terms of this Agreement is valid unless agreed to in writing by Producer. In the event of Exhibitor's breach of this Agreement, Producer shall be entitled to all fees and costs, including but not limited to its reasonable attorney's fees, to enforce the terms hereof. Any and all disputes arising hereunder shall be resolved by submission to arbitration under the commercial rules of the American Arbitration Association. Any and all disputes giving rise to claims hereunder shall be brought in any state or federal court in Cook County, Illinois and waive any rights to bring such a claim in any other forum. Producer reserves the right to assign this Agreement. This Agreement shall not constitute or create a partnership, joint venture, agency, or employment relationship. Should any part of this Agreement be held unenforceable or illegal, that portion shall be severed and the remainder of this Agreement shall remain in full force and effect. The obligations of Exhibitor regarding indemnification and insurance shall survive the termination of this Agreement for any reason. By signing the page 1 of the Exhibitor Agreement, I hereby agree that I have read and understand that I and my company are bound by the terms and conditions as contained within the front page of the Exhibitor Agreement as well as the above Contract terms.
